LAND OF APPAREAL SOLUTION

“ Our main objective is to provide our customers with dedicated service. It may be in merchandising, quality controlling, communication, and follow-up or on day to day production status concerning respective orders. Having our own spinning (yarn manufacturing unit), knitting, dyeing as well as stitching unit, we also have our own sample unit that can develop any kind of samples in quick time. Most of our machines are all “computer aided design & manufacturing” so every garment looks the same with enhanced quality standard.

Being in this business for over 06 years, we have the experience and knowledge to support you with your garment needs like none other as well as can make deliver your valuable product on time with satisfactory quality.

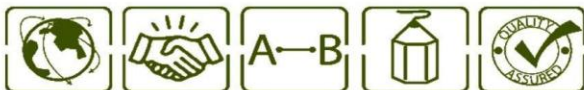

Furthermore, our logistic, commercial and accounting departments will ensure that your goods & documents reach you safely and on time, so you will not face any difficulties during the clearing process.

Our accessories suppliers, shipping lines/forwarders are all well experienced and dedicated companies. This enables us to deliver every garment on time.

You are more than welcome to try us with your orders or sample programs so we may practically prove our ability, loyalty, trust and reliability.

You can be rest assured that all of us here at union fashion will serve you efficiently and will be your partner not only in the commercial, production, quality, merchandising and logistic arrears but also help your company to make better profits and improve current business activities.

Hope you have found union fashion a reliable partner in this business for the mutual business and growth. You are most welcome to visit us here in bangladesh to see our projects for your satisfaction.”
